

Adam Gincel

4/11/16

*I pledge my honor that I have abided by the Stevens Honor System.*

Gincel, Adam (5): Took the semicomplete code skeleton and brought it to completion, with some help from everyone.

Gomez, Matthew (5): He was the first to look up the algorithm and explain its basics to me. He also got the project started with a semicomplete code skeleton.

Massenzio, Alex (5): Contributed to the code project as well as to helping us understand some of the finer points of the algorithm, as well as did a ton of the work on the presentation.
